

## 130-1E WARRIOR KIT

### MARKSMANSHIP TRAINING ON THE GO

Silhouette mask shown over target

Mini-Reflective target aids in training marksmanship fundamentals

Marksmanship training conducted anywhere, anytime. The Warrior Kit provides the shooter with both instant visual and audible feedback. Through repetitive use the Warrior Kit builds muscle memory, improves marksmanship fundamentals and target acquisition with silhouette masks that simulate different distances. The size and weight of approximately two MRE's, the Warrior Kit is a portable and durable marksmanship training system that will help build and sustain perishable soldier skills.

#### KEY ADVANTAGES

- Sustain marksmanship fundamentals without the need of a range
- Get immediate feedback via visual LED counter and audible buzzer
- Durable, portable, weather resistant, and operates in austere environments
- Builds muscle memory to create instinctive reactions when needed
